

We tried this last year at this time, with limited response. We'll try it one more time, since some of you may still be hoping you could acquire such a useful piece of foul-weather gear.

For a limited time, you can order your own **Eddie Bauer Rain Jacket (yes, it's called a rain jacket but with layering, it's really an all-weather jacket)** with Erie Runners Club logo for the low price of \$85.00. If you order right away, it may be possible for the jacket to be ready in time for Christmas. Not an iron-clad promise, but we will try!

The marathon committee jackets were all one color (called radish/grey steel). The jackets we will be ordering come in several colors and in both men's and ladies' styles. Available in adult sizes as follows: XS, S, M, L, XL, 2X, 3X, and 4X. Notice that the white is only a ladies' style and the river blue is only a men's style.

Here is the catalog description of the **Eddie Bauer Rain Jacket**:

*From misty mornings to evening downpours, this fully seam-sealed, completely waterproof colorblock jacket will help keep you dry, warm and protected from whatever Mother Nature throws at you. Highly waterproof and breathable 5K/5K fabric. WeatherEdge logo on left sleeve indicates reliable waterproof, breathable technology.*
