

ERIE RUNNERS CLUB

2018 MEMBERSHIP APPLICATION

The Erie Runners Club was founded in 1976 and serves the running, walking and racing needs of Northwestern Pennsylvania, Northeastern Ohio and Western New York. The ERC welcomes all area runners and walkers, both serious and recreational. The ERC presents at least one race each month, come rain, snow, fog or sunshine. Our aim is to enhance each member's athletic abilities through exposure to others with similar goals.

The annual ERC membership runs from now through February 2019 and entitles you to the following:

Monthly Newsletter with information and applications for upcoming races, articles of general interest and updates on club functions published first week each month.

Monthly Meeting for members held second Monday at 7:00 PM. Fall, Winter and Spring meetings are usually held at Plymouth Tavern, 1109 State St., Erie, PA. Summer meetings are held at area picnic facilities at locations published in the newsletter. Guest speakers are featured at many of our meetings.

ERC Merchandise is available at low prices and club discounts available at local sports stores. Visit our website www.rierunners.club for the latest race information, results and merchandise specials.
